

Population and dwellings

Number of people counted

- 4,923 people usually live in Te Atatu Central. This is an increase of 462 people, or 10.4 percent, since the 2006 Census.
- Te Atatu Central has less than one percent of Auckland's population.

Population of Te Atatu Central and Auckland		
2013 Census		
Sex	Te Atatu Central	Auckland
Male	2,373	687,495
Female	2,550	728,058
Total people	4,923	1,415,550

Source: Statistics New Zealand

Note: All figures are for the census usually resident population count.

Number of dwellings counted

- There are 1,701 occupied dwellings and 60 unoccupied dwellings in Te Atatu Central.
- For Auckland as a whole, there are 473,451 occupied dwellings and 33,360 unoccupied dwellings.
- There are 6 dwellings under construction in Te Atatu Central, and 2,817 under construction in Auckland.

Note: This time series is irregular. Because the 2011 Census was cancelled after the Canterbury earthquake on 22 February 2011, the gap between this census and the last one is seven years. The change in the data between 2006 and 2013 may be greater than in the usual five-year gap between censuses. Be careful when comparing trends.

This data has been randomly rounded to protect confidentiality. Individual figures may not add up to totals, and values for the same data may vary in different text, tables and graphs. For areas with small populations, the data may not look as expected because of this rounding.

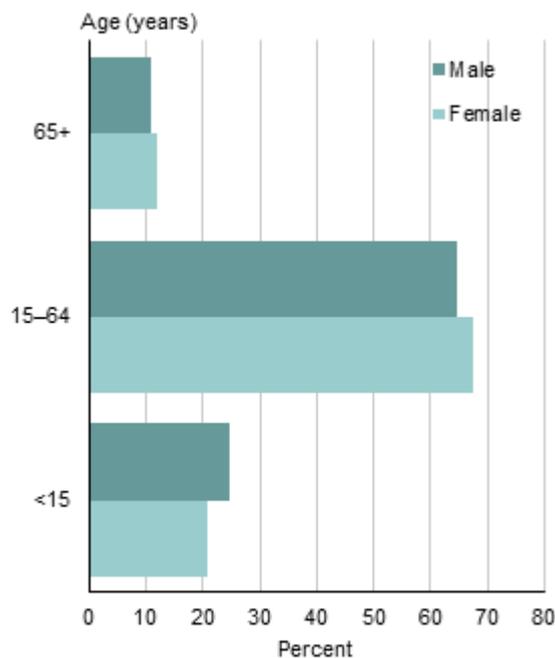

Age and sex

Total population

- The median age (half are younger, and half older, than this age) is 35.9 years for people in Te Atatu Central. The median age in Auckland is 35.1 years.
- 11.5 percent of people in Te Atatu Central are aged 65 years and over, compared with 11.5 percent of the total Auckland population.
- 22.5 percent of people are aged under 15 years in Te Atatu Central, compared with 20.9 percent for all of Auckland.
