

Population and dwellings

Number of people counted

- 1,644 people usually live in Point Chevalier South. This is an increase of 51 people, or 3.2 percent, since the 2006 Census.
- Point Chevalier South has less than one percent of Auckland's population.

2013 Census		
Sex	Point Chevalier South	Auckland
Male	843	687,495
Female	804	728,058
Total people	1,644	1,415,550

Source: Statistics New Zealand

Note: All figures are for the census usually resident population count.

Number of dwellings counted

- There are 498 occupied dwellings and 27 unoccupied dwellings in Point Chevalier South.
- For Auckland as a whole, there are 473,451 occupied dwellings and 33,360 unoccupied dwellings.
- There are 0 dwellings under construction in Point Chevalier South, and 2,814 under construction in Auckland.

Note: This time series is irregular. Because the 2011 Census was cancelled after the Canterbury earthquake on 22 February 2011, the gap between this census and the last one is seven years. The change in the data between 2006 and 2013 may be greater than in the usual five-year gap between censuses. Be careful when comparing trends.

This data has been randomly rounded to protect confidentiality. Individual figures may not add up to totals, and values for the same data may vary in different text, tables and graphs. For areas with small populations, the data may not look as expected because of this rounding.

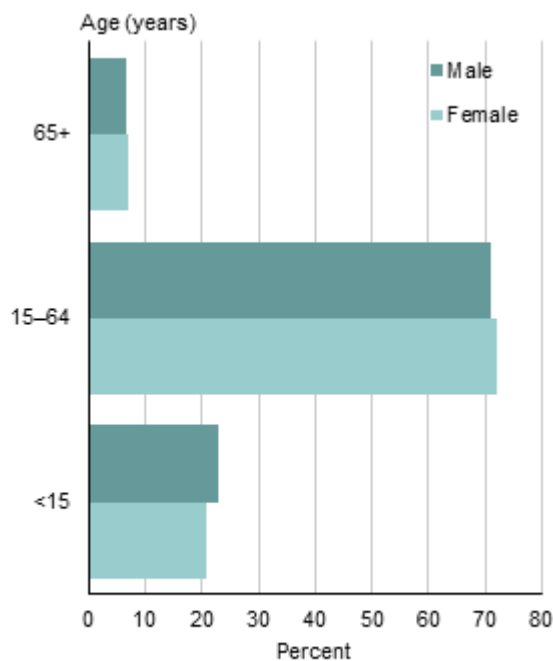

Age and sex

Total population

- The median age (half are younger, and half older, than this age) is 31.7 years for people in Point Chevalier South. The median age in Auckland is 35.1 years.
