

Population and dwellings

Number of people counted

- 4,527 people usually live in Waihi. This is an increase of 27 people, or less than one percent, since the 2006 Census.
- Waihi has 25.4 percent of Hauraki District's population.

Population of Waihi and Hauraki District		
2013 Census		
Sex	Waihi	Hauraki District
Male	2,115	8,652
Female	2,412	9,159
Total people	4,527	17,811

Source: Statistics New Zealand

Note: All figures are for the census usually resident population count.

Number of dwellings counted

- There are 2,019 occupied dwellings and 249 unoccupied dwellings in Waihi.
- For Hauraki District as a whole, there are 7,443 occupied dwellings and 1,308 unoccupied dwellings.
- There are 9 dwellings under construction in Waihi, and 36 under construction in Hauraki District.

Note: This time series is irregular. Because the 2011 Census was cancelled after the Canterbury earthquake on 22 February 2011, the gap between this census and the last one is seven years. The change in the data between 2006 and 2013 may be greater than in the usual five-year gap between censuses. Be careful when comparing trends.

This data has been randomly rounded to protect confidentiality. Individual figures may not add up to totals, and values for the same data may vary in different text, tables and graphs. For areas with small populations, the data may not look as expected because of this rounding.

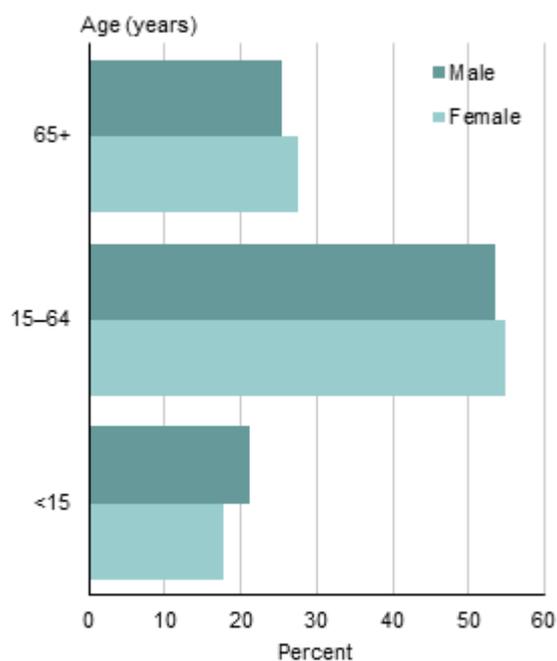

Age and sex

Total population

- The median age (half are younger, and half older, than this age) is 47.4 years for people in Waihi. The median age in Hauraki District is 45.5 years.
- 26.5 percent of people in Waihi are aged 65 years and over, compared with 21.9 percent of the total Hauraki District population.
- 19.3 percent of people are aged under 15 years in Waihi, compared with 19.5 percent for all of Hauraki District.
