Related information

[International travel and migration articles](#) are occasional publications that provide analyses of selected topics.

Information about international travel

[International Visitor Arrivals to New Zealand](#) contains detailed tables about the number and characteristics of visitor arrivals. It is released two working days after each International Travel and Migration information release.

[Provisional international travel statistics](#) provide the latest weekly and four-weekly figures for visitor arrivals and New Zealand-resident traveller departures, including figures for 10 major source and destination countries. These are released weekly, usually at 2pm on a Friday.

Statistics NZ's [Tourism](#) web page lists tourism-related data sources, such as the Accommodation Survey and the Tourism Satellite Account.

[Tourism research and data](#) from the Ministry of Business, Innovation and Employment includes results from the International Visitor Survey, Domestic Travel Survey, and tourism forecasts.

[Tourism New Zealand](#) provides guides to New Zealand's key tourism markets, which include the outlook for future months.

[Cruise New Zealand data](#) has figures on cruise ship visits and cruise passengers. This includes passengers considered to be 'in transit' by the Immigration Act 2009, who are not included in international travel and migration statistics.

Information about international migration

Statistics NZ's [Migration](#) web page lists migration-related data sources, such as the Longitudinal Immigration Survey (2005–09).

[Migration trends](#) provides information from the Labour and Immigration Research Centre, part of the Ministry of Business, Innovation and Employment, which publishes research reports and information about the immigration research programme.

[Immigration New Zealand statistics](#) include application and approval numbers for the main immigration visa types.
